

Dear Mr Powell,

Sinclair
Broadcasting's
decision to show an
anti-Kerry
documentary days
before the election
uses the public
airwaves to:

- Discriminate
against John Kerry
- Spread libel
against John Kerry.

I strongly suggest
you do not allow
Sinclair
Broadcasting to use
the public airwaves
for this purpose.

Should you allow
this abomination to
occur, and SHOULD
THERE BE A SINGLE
FALSE STATEMENT in
the film against
John Kerry, the FCC
will be party to
aiding and abetting
a private
corporation to
engage in libel over
the public airwaves.

Sincerely,

Phiroz H Madon
